#### Chicago Grain

Chicago, May 12.-Notwithstanding that rains in Kansas and Nebraska had a bearish influence today on wheat, the effect soon wore off. Selling pressure was surprisingly absent. a fact more or less due to higher quotations at Liverpool, where the outlok was for lessened shipments from Argentina and Australia. There was doubt also as to whether rains would be a sufficient remedy for the damage in the domestic winter crop Opening prices, which ranged from the same as yesterday's finish to 3-4c lower, with July at 116 1-8 to 1-2 and September at 116 1-8 to 3-8 were followed by almost a complete

inquiry strengthened Seaboard corn. Selling was only of a scattered After opening 1-4c off to a shade up, the market scored a moderate general gain.

Oats paralleled the action of corn. Fluctuations, though, were narrow. Provisions hardened in line with the hog market. The best deman was for lard.

Decided strength in wheat was shown later as a result of assertions that the Kansas rains were too meager to be important. A sharp reaction followed, owing to a renewal of rains. The close was weak, 3-8c to 7-8c net lower, with July at 116 3-8 and September at 116 1-8.

Illinois rains that put a stop to corn planting acted as a handicap on the bears. The close was steady at the same as yesterday's finish to 1-8c

May 12.—Alta Con., Albion, Major Evans, Paloma and West Toledo were the most active mining stocks traded in during the morning session of the exchange all of which were strong with the exception of West Toledo which sold down to 16 cents.
